Live Class 1: Introduction

	Topic	Details
1	Purpose of Spoken English	• Understanding the Purpose of Spoken English and why it is required to grow in life and career.
2	Objective	1. Eliminating fear of speaking English with strong foundational tools, games and other resources. 2. Building wider and stronger vocabulary by self-questioning → “Isko English me kya kehte hain?” 3. Strengthening Grammar and Sentence Construction Skills 4. Building effective communication and presentation skills 5. Speak confidently on a topic or in any situation
3	Class Agenda	• What you will learn in this class and upcoming classes
4	Prerequisites	• Discussion about the list of things that you will need for upcoming classes
5	English Level Identification	1. Understanding (self-evaluation) your current English Level (between Level 1 – 10) 2. How this course is designed for your specific level
6	Purpose of Communication	1. The purpose and definition of Communication 2. Difference between Communication Skills and Spoken English
7	Introduction to LSRW	1. Components of Language: Listening, Speaking, Reading, Writing 2. Discussion on English exams like IELTS and TOEFL 3. When and how we are going to learn LSRW in this course
8	How to learn a language and how English is a unique situation for Indians	1. BABY Framework: Learning a language like babies 2. Indian Situation: How Indians can learn English more easily than people from other nationalities
9	SD Framework	• SD (Suno-Dekho) Framework: How to improve by simple observation
10	Apps and AI Tools	• Discussion on language learning and language exchange apps • How to use AI Tools like ChatGPT or Llama AI >3.2 inside WhatsApp to improve English with BhashaGuru prompts table
11	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
12	Next Session	• Brief on the topic for the next session

Live Class 2: Patterns & Frameworks

	Topic	Details
1	Recap	• Going over the vital points discussed in the previous session • Understanding what you understood so far
2	Patterns	• Fibonacci Series and Golden Ratio in Spoken English and other Languages
3	RWYL Framework	• RWYL (Repeating what you listen) Framework: How to be observant and improve speaking
4	DYS Framework	• DYS (Design your speech) Framework: How to think and design long speeches
5	Local to Vocal (L2V)	• Understanding how to translate your native language to English step-by-step, if you have to, and the correct approach towards becoming a fluent speaker
6	Turtle Speed	• Understanding the benefits of speaking slowly and thoughtfully
7	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
8	Next Session	• Brief on the topic for the next session

Live Class 3: Doubt Clearing Session

	Topic	Details
1	Tasks Evaluation	• Evaluation of the tasks assigned in the previous 2 sessions
2	Common Doubts and FAQ	• Clearing common doubts and frequently asked questions about the previous 2 sessions
3	Addressing your doubts	• Your doubts and questions will be answered
4	Tips and Techniques	• Based on your doubts and questions, will share personalized tips for you to improve and grow

Live Class 4: Practice Session

	Topic	Details
1	Interactive Session	1. Presentation and practice questions based on SD Framework 2. Video Clips and practice questions based on Patterns 3. Audio Clips and repetition practice based on RWYL Framework 4. Practicing DYS Framework and L2V with real-life scenarios

Live Class 5: Vocabulary Part 1

	Topic	Details
1	Purpose and definition of Vocabulary	1. What vocabulary is 2. How it plays an important role in speaking
2	Questioning Objects	• How one can self-learn English words of random everyday objects and why it matters
3	Textual Finds	• Reading and Highlighting techniques
4	Decoding Movies	1. Identifying contextual usage of words 2. Movie decoding techniques to master vocabulary
5	Mnemonics	• Memorization techniques using Mnemonics
6	Flashcards (Physical & Anki)	• Memorization techniques using Flashcards (Physical and Anki)
7	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
8	Next Session	• Brief on the topic for the next session

Live Class 6: Vocabulary Part 2

	Topic	Details
1	Prefixes and Suffixes	1. Definition, purpose, and usages 2. Patterns
2	Synonyms and Antonyms	• Definition, purpose, contextual usages, and AI Thesaurus
3	Collocations	• Understanding how word pairings work, e.g., “Strong Coffee”
4	V2M Framework	• Visualization to Memorization (V2M) Framework: Simple techniques to memorize difficult words
5	Emotionalization	• How to associate words with mental images or emotions
6	Input Output (IO) Models	1. Input models: Reading, Listening, Watching, Flashcards 2. Output models: Speaking, Writing, Teaching, Word Games
7	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
8	Next Session	• Brief on the topic for the next session

Live Class 7: Doubt Clearing Session

	Topic	Details
1	Tasks Evaluation	• Evaluation of the tasks assigned in the previous 2 sessions
2	Common Doubts and FAQ	• Clearing common doubts and frequently asked questions about the previous 2 sessions
3	Addressing your doubts	• Your doubts and questions will be answered
4	Tips and Techniques	• Based on your doubts and questions, will share personalized tips for you to improve and grow

Live Class 8: Practice Session

	Topic	Details
1	Interactive Session	1. Presentation and practice questions based on “Questioning Objects” 2. Presentation and practice questions based on “Textual Finds” 3. Movie Clips to practice “Decoding Movies” 4. Presentation and practice questions based on “Mnemonics” and “Flashcards” 5. Presentation and practice questions based on “Prefixes and Suffixes”, “Collocations”, “V2M”, “Emotionalization”, and “IO Models”

Live Class 9: Grammar and Sentence Construction Part 1/6 (Parts of Speech and Basic Sentence Structure)

	Topic	Details
1	Overview of Part 1-6	1. What grammar and sentence constructions skills we will learn in the current and upcoming sessions 2. Understanding the importance of each session for your Spoken English journey
2	Parts of Speech	• Overview of nouns, pronouns, verbs, adjectives, adverbs, conjunctions, prepositions, and interjections.
3	Nouns and Pronouns	1. Types of nouns (common, proper, collective) 2. Types of pronouns (personal, possessive)
4	Verb Basics	• Introduction to verb forms (action, linking, helping)
5	Basic Sentence Structure	• Understanding subjects, predicates, and simple sentence formation.
6	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
7	Next Session	• Brief on the topic for the next session

Live Class 10: Grammar and Sentence Construction Part 2/6 (Tenses & Time Expressions)

	Topic	Details
1	Tenses & Time Expressions	• Overview, definition, purpose, and usage
2	Present Simple and Continuous Tenses	• Form and usage in everyday sentences + practice exercises
3	Past Simple and Continuous Tenses	• Form and usage, with storytelling practice
4	Future Forms/Tenses	• Introduction to "will," "going to," and other future forms
5	Time Expressions	• Common phrases for past, present, and future contexts
6	Sentence Building with Tenses	• Constructing sentences with correct tense usage
7	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
8	Next Session	• Brief on the topic for the next session

Live Class 11: Doubt Clearing Session

	Topic	Details
1	Tasks Evaluation	• Evaluation of the tasks assigned in the previous 2 sessions
2	Common Doubts and FAQ	• Clearing common doubts and frequently asked questions about the previous 2 sessions
3	Addressing your doubts	• Your doubts and questions will be answered
4	Tips and Techniques	• Based on your doubts and questions, will share personalized tips for you to improve and grow

Live Class 12: Practice Session

	Topic	Details
1	Interactive Session	1. Presentation and practice questions based on "Grammar and Sentence Construction Part 1 & 2"

Live Class 13: Grammar and Sentence Construction Part 3/6 (Sentence Types and Modifiers)

	Topic	Details
1	Sentence Types and Modifiers	• Overview and usage
2	Simple, Compound, and Complex Sentences	• Definitions and examples of each, with focus on sentence variety
3	Coordinating Conjunctions	• Introduction to FANBOYS (for, and, nor, but, or, yet, so) and their uses
4	Adjectives and Adverbs	• How to modify nouns and verbs effectively for richer sentences
5	Comparative and Superlative Forms	• Forming and using adjectives/adverbs in comparisons
6	Expanding Sentences with Modifiers	• How to add adjectives and adverbs for descriptive sentences
7	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
8	Next Session	• Brief on the topic for the next session

Live Class 14: Grammar and Sentence Construction Part 4/6 (Active & Passive Voice)

	Topic	Details
1	Active and Passive Voice	• Introduction, definitions, and differences
2	Forming Passive Voice	• Rules and examples of changing active sentences to passive
3	When to Use Passive Voice	• Situations and reasons for choosing passive construction
4	Voice Transformation	• Exercises on converting active sentences to passive, and vice versa
5	Basic Sentence Structure	• Understanding subjects, predicates, and simple sentence formation.
6	Application in Real-Life Contexts	• Using passive voice in professional or formal contexts
7	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
8	Next Session	• Brief on the topic for the next session

Live Class 15: Doubt Clearing Session

	Topic	Details
1	Tasks Evaluation	• Evaluation of the tasks assigned in the previous 2 sessions
2	Common Doubts and FAQ	• Clearing common doubts and frequently asked questions about the previous 2 sessions
3	Addressing your doubts	• Your doubts and questions will be answered
4	Tips and Techniques	• Based on your doubts and questions, will share personalized tips for you to improve and grow

Live Class 16: Practice Session

	Topic	Details
1	Interactive Session	1. Presentation and practice questions based on "Grammar and Sentence Construction Part 3 & 4"

Live Class 17: Grammar and Sentence Construction Part 5/6 (Direct & Indirect Speech)

	Topic	Details
1	Direct & Indirect Speech	• Definitions and the difference between direct and indirect/reported speech
2	Rules for Indirect Speech	• Changing pronouns, tenses, and time expressions in reported speech
3	Reporting Statements, Questions, and Commands	• Different sentence types in indirect speech
4	Punctuation in Direct Speech	• Correct usage of quotation marks and commas in direct speech
5	Practice Conversion	• Exercises on converting direct sentences to indirect and vice versa
6	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
7	Next Session	• Brief on the topic for the next session

Live Class 18: Grammar and Sentence Construction Part 6/6 (Conditional Sentences & Question Formation)

	Topic	Details
1	Introduction to Conditionals	• Overview of zero, first, second, and third conditional sentences
2	Form and Usage of Each Conditional	• Constructing conditional sentences based on different scenarios
3	Forming Questions	• Yes/no questions, WH-questions, and question tags
4	Inversions	• How to form questions and use inversion for emphasis
5	Review and Practice Exercises	• Comprehensive review through practice scenarios and Q&A
6	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
7	Next Session	• Brief on the topic for the next session

Live Class 19: Doubt Clearing Session

	Topic	Details
1	Tasks Evaluation	• Evaluation of the tasks assigned in the previous 2 sessions
2	Common Doubts and FAQ	• Clearing common doubts and frequently asked questions about the previous 2 sessions
3	Addressing your doubts	• Your doubts and questions will be answered
4	Tips and Techniques	• Based on your doubts and questions, will share personalized tips for you to improve and grow

Live Class 20: Practice Session

	Topic	Details
1	Interactive Session	1. Presentation and practice questions based on "Grammar and Sentence Construction Part 5 & 6"

Live Class 21: LSRW Part 1 → Reading

	Topic	Details
1	Introduction to LSRW	• Overview of LSRW: Listening, Speaking, Reading, Writing
2	Reading for Spoken English	• How reading (aloud) helps you speak better
3	Skimming and Scanning	1. Definitions and the difference between skimming and scanning 2. Techniques to skim and scan to understand context
4	Context Clues	• Practice inferring the meaning of unfamiliar words using surrounding context in a sentence or paragraph
5	Paraphrasing	• Rephrasing sentences to retain the original meaning in your own words, enhancing comprehension and speaking flexibility
6	Reading with Expression	• How to read passages using expressions, emphasis, and pace to convey emotion and meaning, improving vocal expressiveness and fluency
7	Recognizing Tone and Perspective	1. Identifying the author's tone (e.g., informative, persuasive) and perspective to understand underlying messages and nuances 2. How to distinguish the central theme from supporting information
8	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
9	Next Session	• Brief on the topic for the next session

Live Class 22: LSRW Part 2 → Writing

	Topic	Details
1	Writing for Spoken English	• How writing helps you speak better
2	Basic Sentence Structuring	• How to construct simple to less-simple sentences, ensuring correct grammar and punctuation
3	Writing Short Paragraphs	• How to construct short paragraphs about familiar topics to build structure and coherence
4	Transition Words	• Introduction to connectors like "however", "therefore", and "in addition" to create smooth-flowing sentences and paragraphs
5	Descriptive and Expressive Writing	• Using adjectives and vivid descriptions in sentences (e.g., describing a favorite place)
6	Writing Personal Opinions and Arguments	• How to write short opinion pieces, stating a viewpoint on a simple topic with supporting reasons (e.g., "Why reading is important"). Or Compare "Why India is great and areas of improvement"
7	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
8	Next Session	• Brief on the topic for the next session

Live Class 23: Doubt Clearing Session

	Topic	Details
1	Tasks Evaluation	• Evaluation of the tasks assigned in the previous 2 sessions
2	Common Doubts and FAQ	• Clearing common doubts and frequently asked questions about the previous 2 sessions
3	Addressing your doubts	• Your doubts and questions will be answered
4	Tips and Techniques	• Based on your doubts and questions, will share personalized tips for you to improve and grow

Live Class 24: Practice Session

	Topic	Details
1	Interactive Session	1. Reading Exercises 2. Writing Exercises

Live Class 25: LSRW Part 3 → Listening

	Topic	Details
1	Listening for Spoken English	• How listening helps you speak better
2	Active Listening Techniques	• Discussion on techniques like focusing, removing distractions, and summarizing what was heard to improve comprehension
3	Listening for Key Information (Gist & Details)	• How to pick out main ideas and specific details from a short audio clip (e.g., news reports, podcasts)
4	Accents (UK/US/India)	• How to pick out different accents and improve adaptability and understanding
5	Taking Notes While Listening	• How-to and Practice: Jotting down keywords while listening to retain information better
6	Transitions and Functional Language	• Identifying transition words (like "however," "therefore") and phrases that signal a speaker's intent (e.g., summarizing, contrasting, giving examples)
7	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
8	Next Session	• Brief on the topic for the next session

Live Class 26: LSRW Part 4 → Speaking (1/8): Building Confidence in Speaking

	Topic	Details
1	Overview of Part 1 - 8	1. What we will learn during the final 8 sessions dedicated to speaking 2. How you can utilize the previous sessions to speak English fluently like a Bhasha Guru 3. How to overcome challenges and speak with confidence
2	Introducing Oneself	• How to introduce oneself confidently with personal details and hobbies in both formal and casual settings
3	Starting Conversations	1. Opening lines to start conversations (e.g., "Hi, how are you?") 2. Addressing various situations and challenges
4	Answering Common Questions	1. Answering everyday questions (e.g., "What do you do?" "Where are you from?") 2. Understanding context to decide length of conversation
5	Basic Small Talk Skills	1. Introduction, importance and examples 2. Small talk about weather, hobbies, or family to get comfortable speaking
6	Speaking without Hesitation	1. Tips to speak without pausing too much 2. Introduction to filler words: importance and usage 3. Why it is important to focus on fluency over perfection: practical examples
7	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
8	Next Session	• Brief on the topic for the next session

Live Class 27: Doubt Clearing Session

	Topic	Details
1	Tasks Evaluation	• Evaluation of the tasks assigned in the previous 2 sessions
2	Common Doubts and FAQ	• Clearing common doubts and frequently asked questions about the previous 2 sessions
3	Addressing your doubts	• Your doubts and questions will be answered
4	Tips and Techniques	• Based on your doubts and questions, will share personalized tips for you to improve and grow

Live Class 28: Practice Session

	Topic	Details
1	Interactive Session	1. Audio Clips and Questions on "Active Listening Techniques", and "Accents" 2. Speaking Exercises

Live Class 29: LSRW Part 5 → Speaking (2/8): Pronunciation and Articulation

	Topic	Details
1	Phonemes	• Learn basic English sounds (e.g., “th” and “sh” sounds) and practice correct pronunciation
2	Intonation and Stress Patterns	• Practice stress patterns and intonation in sentences to sound natural
3	Tongue Twisters	• Practicing tongue twisters (e.g., “She sells sea shells...”) to improve articulation
4	Answering Common Questions	1. Answering everyday questions (e.g., “What do you do?” “Where are you from?”) 2. Understanding context to decide length of conversation
5	Commonly Mispronounced Words	1. Why proper pronunciation matters 2. Pronunciation of frequently mispronounced words (e.g., “comfortable”, “receipt”, “guardian”, “plumber”) 3. How to self-question and learn correct pronunciation from the Internet
6	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
7	Next Session	• Brief on the topic for the next session

Live Class 30: LSRW Part 6 → Speaking (3/8): Expanding Vocabulary in Speaking

	Topic	Details
1	Using Synonyms and Antonyms in Speaking	• How to practice replacing common words with synonyms to enrich vocabulary (e.g., “happy” → “joyful”)
2	Describing with Adjectives	• Practice using descriptive adjectives to give details (e.g., “The movie was thrilling”)
3	Using Idioms and Expressions	• Learn and use simple idioms (e.g., “break the ice”, “a piece of cake”) in sentences
4	Topic-Specific Vocabulary	• Introduce vocabulary based on themes like travel, food, or sports, and practice in sentences
5	Contextual Clues	1. How to handle unfamiliar words in conversations 2. How can you guess word meanings from context to improve vocabulary in speaking
6	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
7	Next Session	• Brief on the topic for the next session

Live Class 31: Doubt Clearing Session

	Topic	Details
1	Tasks Evaluation	• Evaluation of the tasks assigned in the previous 2 sessions
2	Common Doubts and FAQ	• Clearing common doubts and frequently asked questions about the previous 2 sessions
3	Addressing your doubts	• Your doubts and questions will be answered
4	Tips and Techniques	• Based on your doubts and questions, will share personalized tips for you to improve and grow

Live Class 32: Practice Session

	Topic	Details
1	Interactive Session	1. Audio Clips, Presentations, and Practice Exercises based on Speaking Part 2: Phonemes, Intonation, Tongue Twisters, Answering Common Questions, Commonly Mispronounced Words 2. Audio Clips, Presentations, and Practice Exercises based on Speaking Part 3: Using Synonyms and Antonyms in Speaking, Describing with Adjectives, Using Idioms, Topic-Specific Vocabulary, and Contextual Clues 3. Introduction to Cue Cards

Live Class 33: LSRW Part 7 → Speaking (4/8): Forming Full Sentences and Structuring Responses

	Topic	Details
1	Constructing Clear Sentences	• How to practice forming complete sentences to express thoughts clearly
2	Sentence Starters	1. Definition, contextual usages, and formation 2. How to use sentence starters (e.g., "In my opinion...", "I believe...") to frame responses
3	Answering Open-Ended Questions	• Answering questions with elaboration (e.g., "Why do you like reading?")
4	Using Examples in Responses	1. Forming examples to support answers (e.g., "I enjoy painting because it's relaxing, for instance...") 2. Keywords to use (e.g., "for example...", "because...", "for instance...")
5	Organizing Thoughts Before Speaking	• Quick planning techniques to organize ideas before responding to complex questions
6	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
7	Next Session	• Brief on the topic for the next session

Live Class 34: LSRW Part 8 → Speaking (5/8): Conversational Skills and Flow

	Topic	Details
1	Group Discussion	1. Understanding Formal and Casual Group Discussions: What, why, and how 2. Do's and Don'ts 3. How to and where to speak up in a GD 4. Taking turns in group discussions and avoiding interruptions 5. Techniques to conquer a GD with Listening, Vocabulary, Idioms, and Grammar 6. Starting and ending
2	Asking Follow-Up Questions	• Ways to ask relevant follow-up questions (e.g., "Oh, where did you go?")
3	Showing Interest with Responses	1. Using phrases to show interest (e.g., "That's interesting!" "Really?") and keep the conversation engaging 2. Parroting Techniques
4	Staying on Topic	• Practice maintaining the topic and connecting responses logically (No direct "me too")
5	Ending Conversations Politely	• Ways to end conversations gracefully (e.g., "It was nice talking to you!")
6	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
7	Next Session	• Brief on the topic for the next session

Live Class 35: Doubt Clearing Session

	Topic	Details
1	Tasks Evaluation	• Evaluation of the tasks assigned in the previous 2 sessions
2	Common Doubts and FAQ	• Clearing common doubts and frequently asked questions about the previous 2 sessions
3	Addressing your doubts	• Your doubts and questions will be answered
4	Tips and Techniques	• Based on your doubts and questions, will share personalized tips for you to improve and grow

Live Class 36: Practice Session

	Topic	Details
1	Interactive Session	1. Practice Exercises with Cue Cards based on Speaking Part 4: Sentence Construction and delivery 2. Practice Exercises based on Speaking Part 5: Group Discussion (4 Topics), talking (or debate) to each other (between students) on different topics ("Sports", "Weather", "Music", "Lifestyle" etc.)

Live Class 37: LSRW Part 9 → Speaking (6/8): Expressing Opinions and Making Arguments

	Topic	Details
1	Agreeing and Disagreeing	• Polite ways to agree and disagree (e.g., "I see your point, but...")
2	Reasoning	• Explaining reasons behind opinions (e.g., "I believe this because...")
3	Summarizing Points	• Summarize ideas to clarify arguments and maintain focus in discussions
4	Giving Examples to Support Ideas	• Practice supporting points with relevant examples for stronger arguments
5	Expressing Uncertainty	• Use phrases to express uncertainty (e.g., "I'm not sure, but...")
6	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
7	Next Session	• Brief on the topic for the next session

Live Class 38: LSRW Part 10 → Speaking (7/8): Storytelling and Descriptive Speaking

	Topic	Details
1	Narrating Personal Stories	• Sharing personal stories in a clear sequence of events
2	Describing Places and Events	• How to describe a place or event vividly (e.g., "The Park was full of tall trees and colorful flowers...")
3	Chronological Connectors	• Practice using words like "first," "then," "finally" to organize stories
4	Expressing Emotions in Storytelling	• How to use tone and expressions to convey emotions in stories
5	Giving Opinions within Stories	• Adding personal opinions within stories for an engaging narration
6	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
7	Next Session	• Brief on the topic for the next session

Live Class 39: Doubt Clearing Session

	Topic	Details
1	Tasks Evaluation	• Evaluation of the tasks assigned in the previous 2 sessions
2	Common Doubts and FAQ	• Clearing common doubts and frequently asked questions about the previous 2 sessions
3	Addressing your doubts	• Your doubts and questions will be answered
4	Tips and Techniques	• Based on your doubts and questions, will share personalized tips for you to improve and grow

Live Class 40: Practice Session

	Topic	Details
1	Interactive Session	1. Practice Exercises based on Speaking Part 6: Group Discussion (4 Topics) with arguments and opinions 2. Rapid-fire questions based on Speaking Part 7: Storytelling and Descriptive Speaking

Live Class 41: LSRW Part 11 → Speaking (8/8): Public Speaking and Presentation Skills

	Topic	Details
1	Public Speaking	1. Overview, Demonstration, and Importance 2. Tips and techniques to reduce nervousness while speaking to an audience
2	Presentation	1. How to organize information into a presentation (intro, body, conclusion) 2. Different forms of presentation (verbal and non-verbal)
3	Body Language	1. Detailed overview 2. Eye Contact, Gestures, Postures, and Intellect
4	Handling Q&A Sessions	• Strategies for answering questions from the audience and managing unexpected queries confidently
5	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
6	Next Session	• Brief on the topic for the next session

Live Class 42: Techniques to Practice and Improve

	Topic	Details
1	Recap of entire course	• Summary of entire course
2	Combining everything together	• Essence of what was taught
3	How to practice and improve	• Practical guide and resources
4	Self-correction techniques	• How to reflect on the speaking sessions taught here, identifying areas for improvement and working on them.
5	Session Tasks	• Tasks from the current session to be addressed in the next doubt-clearing session
6	Next Session	• Brief on Final Assessment

Live Class 43: Doubt Clearing Session

	Topic	Details
1	Tasks Evaluation	• Evaluation of the tasks assigned in the previous 2 sessions
2	Common Doubts and FAQ	• Clearing common doubts and frequently asked questions about the previous 2 sessions
3	Addressing your doubts	• Your doubts and questions will be answered
4	Tips and Techniques	• Based on your doubts and questions, will share personalized tips for you to improve and grow

Live Class 44: Practice Session

	Topic	Details
1	Interactive Session	1. Presentation (You will be presenting) followed by Q&A 2. Interview practice 3. Self-evaluation based on vocabulary, grammar, and fluency.

Final Assessment

Assessment Area	Description	Evaluation Method
Vocabulary Application	Students demonstrate understanding of words learned by using them in sentences, context, or conversation.	Vocabulary Quiz + Oral Practice in Context
Grammar and Sentence Structure	Students construct sentences or short paragraphs using grammar rules covered in the course.	Written Exercises + Verbal Explanation
LSRW Skills	Students perform a set of exercises to demonstrate Listening, Speaking, Reading, and Writing skills.	Role-Play for Speaking, Reading Aloud, Listening Tasks, Short Writing Exercise
Speaking Fluency and Confidence	Students engage in a brief conversation or presentation to assess fluency, pronunciation, and confidence.	Interactive Speaking Test (e.g., Presenting a Topic)
Self-Evaluation and Improvement Plan	Students discuss their own strengths, areas for improvement, and create a personal practice plan.	Reflection Activity + Individual Feedback
